

## SPARES CATALOGUE JANUARY 2005

## How to use this catalogue

Spares are categorised by type (ie. springs, cables, etc) and further by door type, size, gear type and year of manufacture. To find the correct part for your Garador garage door, please follow the instructions below.

### How to locate the right spare part

After going to the correct section for the spare part you require, it will be helpful if you have the following information to locate the precise part for your garage door:

- Door style – eg. Horizon, Carlton, etc
- Door size (internal frame opening size)
- Gear type from the following table:

C-type	Canopy
R-type	Retractable
F-type	Factory pre-framed Canopy
FR-type	Factory pre-framed Retractable
DC-type	Double Canopy
DR-type	Double Retractable

- Year of manufacture from the following list:

Pre-1999
1999-2002
2002 onwards

It will also be helpful if you can have the part to be replaced at hand, to identify from the pictures in this catalogue.

If you experience difficulties, or do not have the above information, then please call Garador on 01935 443722 to speak to a member of our customer services team who will be pleased to be of assistance.
